

It's a year later at the Aegean Sun Hotel and this time the action takes place in Room 102, describing another summer of fun and frolics for each of the holidaymakers staying there. Written as a series of connected short-stories, this sequel follows the same structure as Room 101, with additional input from the rep and extra high spirits from a younger crowd. Discover if a fiancée will be tempted into a holiday fling, or if the age difference will scupper someone's fledgling relationship. Also find out if a whirlwind romance will become more serious, or if a returning couple can enjoy a surprise celebration. Mark and Jane are both back for another season with new jobs, assisted by their good friends Michalis, Costas and Maria, but the set-up at the hotel has changed and it affects everyone. The boat cruise is now the booze cruise and there is a new beach barbecue, south coast safari and 80s night which all provide lively entertainment for the holidaymakers, but could also have the capability to expose some disparity within their relationships. Another year on and the entertainment never stops!
