

You may think it's nice, and you may think it's weird, but beware of the man with a bird in his beard. So begins a ridiculous saga, a love story which includes 30+ portraits of men with beards and the birds who love them. Color in the beard strands (which are like spaghetti in many of the pictures) and the intricate feathers of the many different birds, or just enjoy the silly rhymes about a love gone wrong, due to overzealous bird care. This book appeals to all ages, though the coloring is probably too detailed for young children. Featuring actual portraits of real men with beards, including: 1. Matt Krueger (with a Lazuli Bunting in his beard) 2. Evan Skov (with generic birds in his car) 3. Victorio Piva (with a Falcon on his hand) 4. Mark Kesserich (with Barn Swallows in his beard) 5. Alex Bledsoe (holding an Owl) 6. Junior Jr. (with a Bird of Paradise) 7. Bryce Ziegler (with a Song Sparrow in his beard) 8. R.J. Dietrich (with Parrots and Alex the Cat) 9. Mike Mutant Goggles (with a Red Breasted Nuthatch) 10. Parisse Atkinson (with a choir of Swallows on his arm) 11. Jeffrey Ksul (with Hummingbirds) 12. Ben Boyce (feeding Great Heron chicks from his mouth) 13. Andrew Ettinger (with a Finch in his beard) 14. Matt Evans (with an Owlet) 15. Michael Van Vleet (with a living Robin, and a dead Robin) 16. Brian D. Marohn (hugging a Sage Grouse) 17. Marcelo Moraes (with Chickens) 18. John Francis (with lots of Chickens) 19. Dwayne Fry (with a Turkey) 20. Sean Downing (with a Marsh Wren) 21.
