

From a fresh new voice with talent to burn comes this brash bitter sweet novel about Tracy Ellison, a young girl with knockout looks, slanted hazel eyes, tall hair, and attitude, as she comes of age during the hip-hop era. Motivated by the material life, Tracy, her friends, and the young men who will do anything to get next to them are plunged into a world of violence, gratuitous sex, and heartbreak. Slowly, Tracy begins to examine her life, her goals, and her sexuality as she evolves from a Flyy Girl into a woman. A captivating tale, written with fluid narrative and contemporary dialect, Flyy Girl captures the complete feel and sounds of the streets and is destined to become an urban classic.
