

Jesus is a fresh and inspirational re-imagining of a young mans transformational journey from carpenters son to revolutionary leader to the man many believe to be the savior of the world. Very little is known or recorded about Jesus in his formative years. In the Gospel stories, we witness the birth of Jesus and then see him as a young boy of 12 intensely questioning the Rabbis in the Second Temple in Jerusalem. Jesus does not reappear until age 30, when he emerges as the potent and stirring rebel baptized by John at the River Jordan. What happens to Jesus in those lost years? How did Jesus the young boy become Christ the Savior? With his characteristic ability for imparting profound spiritual insights through the power of storytelling, Chopras Jesus will capture the life of Jesus as never before.
