

Learning History is designed for use by sixth formers and FE students. It discusses how to approach the study of history, how to use and evaluate primary and secondary evidence and how to write essays and considers why historians interpret the past differently. The final chapter looks at the varied nature of the subject and an annotated bibliography provides suggestions for further study. The book contains a variety of sources and exercises which will allow the student to work independently.

C++: The Complete Reference, Prenups for Lovers: A Romantic Guide to Prenuptial Agreements, Working with Sources: Exercises for The Bedford Handbook, History of Dive Bombing: A Comprehensive History from 1911 Onward, Golda Meir-True Grit, John Owen (Tamil Edition), Career Creativity,
