

A Medical Romance by best-selling romance author Gill Sanderson. Dr Delyth Price was stunned by her reaction to her new boss, the intriguing Dr James Owen. He was everything sheâ€™d ever wanted in a man. But Delyth was the seventh daughter of a seventh daughter and had a gift that not everyone understood. James, at least, seemed prepared to listen, if not to believe â€” and he asked her out, even if he was clearly holding something back. Then she discovered his light-hearted side, and fell even more deeply in love. New edition published by Accent Press 2013.
