

Who or what is Lee Weaver? That is the question in this gripping paranormal romance that reviewers and readers describe as amazing, super great and impossible to put down. Haunted by her friends long-ago disappearance, 17-year-old Sam Harper finds her world unraveling when an alluring stranger reveals a horrifying secret. A captivating tale filled with romance, suspense, and grotesque creatures, Super Dark is a seductive love story that will keep you guessing right until the final page. This is BOOK ONE of The Super Dark Trilogy. It is not a stand-alone novel. Praise for SUPER DARK I can honestly say that this series now officially comes close to my new Harry Potter. Maria Zuppari, Reading Maria Book Blog Tanith Morse has written a beautiful story about first love, betrayal, loss, friendship, and mystery. The world and mythology behind it is really well thought out, and a refreshing change. The characters are realistic and they really grow on you. Teenblurb This is a really great story. I was catapulted into it from the very first sentence and as the story grew my impatience to find out what happened next grew as well. Random Reviews by Leanne
