

Volume 2 of The Annotated Luther series contains a number of the writings categorized under the theme word and faith. Luther was particularly focused on what the word does in order to create and sustain faith. Writings in the volume range from the large core documents Bondage of the Will, Against the Heavenly Prophets, The Smalcald Articles, and Large Catechism to Luthers own Confession of Faith and treatments of Moses, the Gospels, and Two Kinds of Righteousness. In the treatises in this volume, we hear Luthers understanding of Scripture and theology as he continues his growth as teaching theologian, pastor, biblical exegete, and apologist for the faith. Each volume in The Annotated Luther series contains new introductions, as well as annotations, illustrations, and notes, to help shed light on Luthers context and interpret his writings for today. The translations of Luthers writings include updates of Luthers Works, American Edition or entirely new translations of Luthers German or Latin writings.
