

COUNTRY COMFORT It was hot on the trail to Luna Creek, but it got even hotter when Gunn met sultry Serena Paxton. The lady cattle rancher was out to avenge her father's death at the hands of the Widowmakers, a brutal gang that was slaughtering the valley's male settlers, then stealing their widows' valuable land out from under them. Plenty of women in the valley needed Gunn's services, and Gunn was more than willing to accommodate them. With his hard guns cocked, he penetrated the ruthless killer gang and snapped its stranglehold on the valley. It wasn't easy, but the thanks he got from the ladies of Luna Creek made it all worth his while!
