

In *The Wisdom of Whores*, epidemiologist Elizabeth Pisani brings honesty, wit and startling pragmatism to the tawdry front lines of sex and drugs. She explains how we could shut down HIV in most of the world with a few simple steps, with less money than we already have. We could do it now. But shockingly, it isn't happening. From the back streets to the boardrooms, politics, ideology and cash have bulldozed through scientific evidence and common sense. *The Wisdom of Whores* is both a riveting expose of the AIDS industry and a penetrating analysis of where we've gone wrong.

Gendered Capital: Entrepreneurial Women in American Enterprise (Garland Studies in Entrepreneurship), Global Production Networks: Operations Design and Management, Second Edition, G.I. Joe: The Complete Collection, Vol. 1, Examen De La Situation Politique De La France Et De Leurope Au Commencement De Lannee 1828 (French Edition), Encyclopedia of Massachusetts, biographical--genealogical (Volume 8 of 12), Melancholy Drift: Marking Time in Chinese Cinema, The Sisters of APF: The Indoctrination of Soror Ride Dick, The lies about Muhammad, Whitetail Deer Hunting Tips,
