

Un nuevo Cristo es la colección de pensamientos del autor sobre Jesucristo, pero no en la forma tradicional. Aunque era Pastor, sus opiniones fueron tan progresistas en su momento que fue condenado al ostracismo por proponer blasfemias, como el hecho de que Cristo no era un hombre humilde y pobre, sino un hombre extraordinario que caminó sobre la tierra para cambiarla. Definitivamente, un libro revelador, que le ayudara a entender mejor la misión y la obra de Jesucristo, y le permitiera entender su grandeza, libre de misticismos y manipulaciones. Esta versión es una traducción en forma fiel por el reconocido autor de libros de negocios y autoayuda Mauricio Chaves Mesen.
