

The Pembroke Welsh Corgi has no tail and is the smaller, newer of the two Welsh Corgi breeds. The Welsh Corgi was brought to Wales by the Celts. The word corgi, in fact, comes from the Celtic words for dwarf and dog. These dogs have a thick, dense coat and adapt to most climates. They are playful, strong, and even-tempered dogs that make suitable companions for a cattle rancher, a senior citizen, or a family. Enjoy this fine wall calendar featuring Pembroke Welsh Corgis.
