

From the parents who brought us the web sensation Dinovember comes photographic proof of what toys do at night. Since Toy Story (and maybe since the very first toys!) children and their parents have wondered what it would be like if toys came to life. Refe and Susan Tuma take this wonder several steps further in **WHAT THE DINOSAURS DID LAST NIGHT**. Every November, writer and social media master Refe Tuma and his wife, Susan, work into the night to bring their four children scenes from the secret lives of their toys -- specifically the nighttime antics of their plastic dinosaurs. The dinosaurs wreck bathrooms, destroy vases, rock out, encounter terrifying hot irons, even do the dishes with hilarious, magical results. Each scene is photographed in meticulous detail, letting viewers joyfully suspend disbelief and think to themselves -- just LOOK what the dinosaurs did last night!
